

FOR IMMEDIATE RELEASE:

***The Mills Korner*, Launches Shoe Collection Drive to Raise money for Our Youth in need, various supplies, and to simply be of assistance in a time of need.**

Hello Everyone! In a time when the pandemic has helped to create physical and psychological hardship for our youth and families everywhere, it is never too late to help by serving in your community.

The Mills Korner is conducting a shoe drive from January 22nd to March 22 in efforts to raise funds for youth and families in crisis. Anyone can help by donating gently worn, used, and/or new shoes to *The Mills Korner*. It would truly be my pleasure to pick up any donated shoes.

The undertaking of changing a culture is oftentimes an emotional event. However, supporters like you are a lifeline for everything we do for vulnerable children. That's why, here at *The Mills Korner*, we're dedicating the next two months, January 22nd through March 22nd to show you just how much of a difference your donation makes.

With people facing unprecedented challenges, help *The Mills Korner* to transform each life with a heart of service. All donated shoes will be redistributed to those youth and families in need. If you're able, we would love, if you could clean out your closet, ask a friend, and donate gently worn, used and/or new shoes. Not only does *The Mills Korner* help the impoverished with shoes and clothes, Your donated shoes are helping people in a major time of need.

At *The Mills Korner*, "We are excited about our shoe drive," and look forward to another successful venture with our community folks in lending a helping hand to those in need. "We know most people have extra shoes in their closet(s) they would like to donate and help those less fortunate become self-sufficient. It's a win-win for everyone," by donating gently worn, used and/or new shoes to *The Mills Korner*, the shoes will be given a second chance and make a difference in someone less privileged.

The Mills Korner thanks you in advance for your tax-deductible donation.
